Enjoy an unforgettable WOW! experience in this magnificent region at the remote southern tip of south America! The itinerary has been designed to showcase the most spectacular scenery of Chilean Patagonia, in comfort.

In northern Patagonia, the Chiloé archipelago will enchant you with its hospitality and stunning landscapes. During a four-night stay at the spectacular **Tierra Patagonia Hotel & Spa**, you'll choose from a variety of small-group activities to connect you with nature at a pace that matches your fitness level.
