

Join WOW! Travel Club on this memory-making journey!

Croatia's lengthy coastline, with its pebbly beaches, sun-kissed weather, and melt-in-your-mouth seafood, is the Adriatic Riviera.

The Dalmatian coast is most famous for Dubrovnik, ringed by thick medieval walls and a jumble of traffic-free cobbled streets. We'll also visit several spectacular islands, including Korcula where four centuries of Venetian rule left it with a quirky Gothic-Renaissance mix of architecture. On the island of Hvar, we'll experience the hip, upscale buzz of Hvar town as well as fragrant fields of lavender and the picturesque fishing village of Starigrad. Other islands you've probably not heard of, but will never forget.

We'll cruise in comfort aboard a sleek new mega-yacht, m/v Black Swan, which we've chartered for the week. With only 30 passengers onboard this 38-passenger ship, we'll enjoy the sundeck, hot tub, air-conditioned dining room and rear platform for refreshing swim stops in the crystal-clear Adriatic.
