

You're invited to join the WOW! Travel Club on this memory-making journey!

There are a wealth of fabulous attractions in mainland Croatia and Slovenia – and this week-long itinerary covers the highlights with the perfect amount of leisure time for independent exploration. The first two nights on the island of Pag, enjoy the serenity of a romantic, family-owned hotel with a Michelin-starred restaurant and well-regarded winery, set in peaceful gardens. Opatija is a coastal resort, dotted with belle-époque villas from the Austro-Hungarian Empire. And we'll conclude with two nights in Ljubljana, the picturesque, pedestrian-friendly capital of Slovenia.

Along the way, stroll through Plitvice National Park, hunt for truffles in Motovun, explore Venetian-like Rovinj, tour the jaw-dropping Postojna Cave system and visit picturesque Lake Bled.
